

# Lake Mburo National Park Safari

3 Days Tailor-made safari | Departure; Any day

## Overview

Although rich in wild game, this is one of Uganda's smallest wildlife parks. Plenty of bird life flourishes here with more than **315 bird species**, a rich animal life including 68 different mammals like impala, leopards, buffalo, jackals, and hyenas to see on a Uganda safari. Aside from all this, it is here that you will find zebras.

## Itinerary

### DAY 01

#### To Lake Mburo National Park

With an early rise and breakfast, we will hit the road on an adventurous road trip towards western Uganda to **Lake Mburo National Park**. Along the way, we will have our first stop-over at the **Uganda Equator** and the crafts village at Mpambire, where there are various crafts for souvenirs. Watch out for the famous indigenous long-horned Ankole cattle and the beautiful western green plains along the way on our western road trip. **Driving time:** ± 4.5 hours

On arrival in the afternoon, you will check in at your lodge and probably relax for the rest of the afternoon.

### DAY 02

#### In Lake Mburo National Park

In Lake Mburo, we will have a morning game drive. The park has a unique characteristic of acacia woodland, and it is the only national park in Uganda where you can see the beautiful gigantic eland. While on the game drive, expect to see lots of Impalas, Zebras, some Giraffes, Warthogs, Waterbucks, Buffalos, and many more.

After the morning game drive, we return to the camp/lodge for lunch and go on a boat cruise on Lake Mburo to enjoy sightseeing of the rich bird life, crocodiles, and hippos cooling off in the afternoon. After which, we return to the lodge for dinner and overnight.

### DAY 03

#### End of the safari – back to Kampala

After breakfast, we drive at leisure back to Kampala. We could stop at the **Equator** again or return, arriving in Kampala in the afternoon.
